**Subject:** I have jury duty on Monday.

Martin/Sandy,

If I'm lucky, I will be excused early, but you never know. Cinna is updating the GKM coop agmt table today and I will forward it to the GKM LT this afternoon. Johanna and I met yesterday on our strategy for collaborating with and supporting CDPHE in their engagement with the stakeholders in the Upper Animas. We've got a mtg set for next Friday with Monica Sheets on the same topic.

Bill
